

Healthy Connections Prime will provide a new health care option for South Carolina's seniors with Medicare and Medicaid. This program will make it easier for our seniors to get all the health care services they need, fully managed by a single entity.

Better Care. Better Value. Better Health.

Purpose

- To integrate and coordinate care for beneficiaries with both Medicare and Medicaid.
- To purchase quality health outcomes through a person-centered model that delivers care at the right time and in the most appropriate setting.

Eligibility criteria

- Individuals 65+ who receive Medicare and SC Healthy Connections Medicaid
- Individuals receiving Home and Community-Based Services CLTC waivers (HIV, Vent, and Community Choices)

Benefits

Health plans participating in Prime, known as CICOs (Coordinated and Integrated Care Organizations), will be required to provide all Medicare and Medicaid services, either directly or through subcontracts.

Services

Medicaid Services:

- Behavioral health
- Home and community-based services
- Nursing facility services

Medicare Services:

- Primary and acute care
- Part D (prescription drugs)
- Skilled nursing facilities

** Hospice services will still be reimbursed as fee-for-service directly from Medicare.*
